By Israel21c

Tags: Israel News, Hamas, Gaza >>

As rockets rained down in Israel and Gaza, doctors from both sides united in a successful bid to keep a two-week-old Palestinian baby boy alive.

[Save a Child's Heart](#), which carried out the operation, has for the past 10 years performed life-saving heart surgery on around 2,000 children from all over the world, including the West Bank and Gaza, Africa, Eastern Europe and even Vietnam and China.
